ADOPT BUSINESS METHOD

The article which appeared

in the Daily Press regarding

the City Council's method of

selecting the City Engineer

has elicited favorable comment

from the business men of Newport News.

It is a very safe guide for the

conduct of his own affairs

Speaker of the House is an absolute ne-

cessity to the Republican party at this

juncture. He is the only man who has

sufficiently ability to mould the small

Republican majority into a compact

unit for a successful fight against the

Democratic minority.

Now that Mr. Sharkey and Mr. Cor-

bett have been "vindicated" by the

honorable gentlemen who conducted

the affair in Gotham a few nights

ago, it is a natural presumption that

the confiding public is now ready to

be hoodwinked again. In the meantime,

these fistic artists must have an ex-

posed idea of the feeling of pride that

swelled the heart of old man Weller

when he told Mr. Pickwick that he had

three friends by whom he could prove

anything.

The war critics never permit them-

selves to be worried by the absence of

facts. If they find themselves short

they manufacture a few right on the

spot. Washington Post.

The testimony adduced at the recent

sessions of the War Investigating Com-

mission makes it altogether unneces-

sary to manufacture facts upon which

to base criticism.

Mr. Dismun's demand for an extra

session of Congress is not a cause for

alarm. While he has a wide and varied

experience in the demanding busi-

ness he is seldom taken with any de-

gree of seriousness.

After their experience with the "Con-

trary lawyer of Canton," it is to be hoped

that the Spanish Commissioners are

duly impressed with the legal ability of

the Americans.

There seems to be little doubt that

the recently punctured Kansas City cat-

tle king was an expansionist of the most

pronounced type.
